

PODCAST AD SLOTS

We now offer advertising slots on our podcast to target your dream customers and clients directly!

OUR METHOD

- We work directly with YOU to build an advertising strategy that will speak directly to your target clients & customers.
- Our method of “baking-in” or incorporating your ad within the show’s content to live forever proves to be much more relevant to our listeners and your potential customers.

WORK WITH US

Our ads are organic, trusted and integrated seamlessly into our show.

We are a reliable voice of endorsement for your business, along with other testimonials.

Our podcast listeners have a close and intimate relationship with our host. They trust us, and host-voiced ads feel much more relevant to listeners.

Our ads are 4.4 times more effective than display ads. (prnewswire.com)

Our podcast is a niche-based platform and is therefore able to target potential customers for your business at a very personable and direct level.

ARE YOU READY TO TAKE YOUR BUSINESS TO THE NEXT LEVEL?

HERE ARE YOUR NEXT STEPS...

1

Send a copy of your business media kit to maiya@modbym.com

Be sure to include a breakdown of your mission and vision for your business, a short bio, social media handle(s) and website link. Please include any additional questions in this email.

2

Schedule a 30-minute meeting time with us to discuss further details.

[Complete the Calendly Form: calendly.com/modifybym](https://calendly.com/modifybym)

- Please allow 24 - 48 hours for approval of meeting time.
- Please note, meeting times will only be accepted once all necessary information is sent and confirmed via email.
